

FOREWORD

This report contains selected data concerning the history, composition and financing of West Virginia's highway system. The purpose is to provide a clear picture of highway finance and the highway facilities thereby provided. These data were obtained from various sources, both public and private, and are the most current available to the West Virginia Division of Highways (WVDOH) as of publication date.

This report is distributed free of charge by the WVDOH. Any part of this report may be reproduced or cited by the public, with the stipulation that proper acknowledgment of the source is given, and no fee charged.

Please report any errors and provide any comments or suggestions for improvement by contacting:
